<input type="text"/>	<input type="text"/>

Would you like to be considered for other opportunities at your chosen university if you are not selected for a Forrest Creative Fellowship? Yes No

What are your interests outside of your academic/creative pursuits? (max. 200 words)

Your proposal

Title of your proposal (max. 20 words)

Plain English proposal (max. 500 words). This proposal should use non-technical language to summarise the issue or problem you aim to investigate and the way you are planning to address it. You should explain how your creative research will forge new pathways and why you believe it will be of major significance within your discipline and/or area of artistic endeavour.

Your proposal continued

Impact and translation (max. 200 words). Explain how you expect your research to bring benefit to Western Australia and more broadly. Outline your previous experience of translating practice-based research outcomes into impact.

Linkages and networks (max. 200 words). Describe the linkages and collaboration that you have personally developed in your research and professional career which are relevant to this project (including national and international universities and arts organisations and government, business and community stakeholder groups).
